Serious eye damage : **Category 1**
GHS label elements

™ Trademark, Advancion or its subsidiaries, registered in various countries

1 / 17

1

The new Advancion logo will replace the ANGUS Chemical Company logo on all SDSs.

2

SDS Statements that previously reference ANGUS Chemical Company will change to Advancion Corporation. **(PLEASE NOTE: SDSs statements currently referencing other non-U.S. entities will not change.)**

3

We are harmonizing and simplifying the use of the trademark symbol “™” with all our registered tradenames globally. All new labels and product documentation will exclusively use the trademark symbol “™” with the relevant product tradenames.

4

Email addresses will be changed to our new website address / domain name, **advancionsciences.com**. @angus.com email addresses will be forwarded to the new address to ensure continuity of service and communications.

5

The legal trademark footer at the bottom of the Invoice will be updated to reflect the corporate name change to Advancion.

The Advancion International Safety Data Sheet Explained

In the example below of the non-U.S. safety data sheet (SDS), the elements highlighted in green will be updated as part of the rebranding and corporate name change of ANGUS Chemical Company to Advancion Corporation. As a reminder, the templates used for, and information presented on the updated Invoice will not change outside of the company name, logo and corporate (U.S.) legal entity information outlined below.
